Check out this fall's interior design trends in new development model units

By [CityRealty Staff](#)
Wednesday, October 12, 2022

Between Instagram posts, Pinterest boards, and design magazines, there would appear to be no shortage of sources of inspiration for home decor. Add real estate listings to the mix - a number of new developments have teamed up with top interior design talent to create one-of-a-kind model units that put the latest trends on display and show off the views and interiors of the apartments.

Natural materials in an urban environment

[96+Broadway, #6D](#)

Upper West Side | 3 Bedrooms, 3.5 Baths | 1,931 ft²

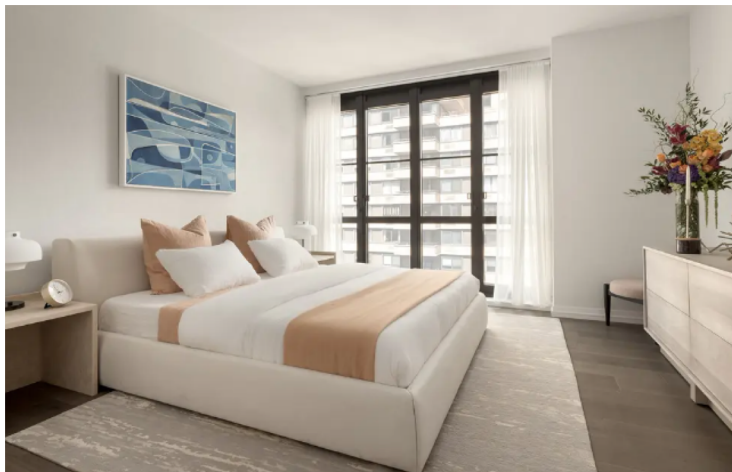

↓ "96+Broadway was created with practicality and design excellence at heart, maximizing the quality of living for all residents who choose to call it home through generous floor plans, top-tier materials, and master craftsmanship" - Thomas Juul-Hansen

↓ At the heart of the home, the kitchen displays European white oak flooring, solid oak cabinetry, and desert slab quartz countertops.

↓ The primary bedroom features a gorgeous walk-in closet and luxurious en suite bath.
