CONDOS, NEW YORK CITY — 3 DAYS AGO

## Residences In The NYC Area Presenting Stunning River Views

by [Haven Team](#)

Let's explore some residences in the New York City area presenting vistas overlooking the picturesque Hudson River or East River.

### **96+Broadway**

Located on the Upper West Side, [96+Broadway](#) is a development brought to life by designer Thomas Juul-Hansen and investment firm JVP Management. With 131 upscale homes, this development offers magnificent views of the Hudson River and Central Park. [Residence 17D](#), available for immediate occupancy at \$5.625 million, features three bedrooms, 3.5 bathrooms, a private terrace, and east-, west-, and south-facing windows that provide captivating views of the surrounding city. Residents have access to five-star amenities like an indoor saltwater swimming pool, an entertainment lounge, a fitness center, and more.
